

Pure Phonics™

By June Campbell

A Campbell Christian Academy Publication

*It's as easy as turning on the TV, opening the workbook,
and spending five minutes together.*

Over the last 20 years June Campbell has developed this **EASY** and **CLEAR** method of how to teach your child to read and has proven it successful by using this method to teach over 9,000 children to read. And now **YOU** can teach your child to read by using **Pure Phonics**—it's just like having June in the room with you!

*All the lessons are completed and organized in a **simple** and **easy-to-use** manner.*

*June has written instructions for the parents for every lesson which makes it simple for **YOU** to use—the hard part is done for you!*

*There are no distractions and no busywork to keep you from focusing on what is most important: **teaching your child how to read!***

***Pure Phonics** is designed for teaching children as young as 3 years old.*

*Teach your child to read, and have **fun** doing it!*
